

CME/CE Credit Checklist

For your convenience, we have provided a list of all sessions at the 2021 eClinicalWorks & healow virtual National Conference that qualify for CME/CE credits. Sessions are listed alphabetically by title.

LIVE SESSIONS:

Please keep track of the live sessions in which you participated. You will indicate which sessions you attended in the post-activity evaluation that Antidote will send you by email.

ON-DEMAND SESSIONS:

Please keep track of the Session ID given in each on-demand session. Visit my.antidotecme.com/ecw-post-test to access the posttest. You will need to pass each posttest with a minimum score of 75% to claim credit for the session.
